Dear Dominik,

I'm pleased to announce you that SINUS have been selected as Nokia France supplier for cables MIC and ALARMS (specified within our RFQ during May/June 2006).

Please, could you answer to the present e-mail with a confirmation of the prices and conditions attached. This confirmation e-mail will be forwarded to our Telecom Implementation subcontractors in order them to be in contact with you and to implement these new conditions.

Before asking them to start ordering cables from SINUS, we would like you to send us some samples of each cable reference to the attention of:

Sinisa ZIVKOVIC

Nokia France

Immeuble Eurosquare 2

7 rue Dora Maar

FRANCE

After that, we will manage a visit to your site in Poland in July.

Be aware that we will manage mini/maxi markets share, and in order to do that, we will ask you to send us, for a 6 months period, the total cables volume ordered by each of our subcontractors. First datas waiting for January the 15th regarding 2nd semester of 2006.

Feel free to contact me if needed.

Best regards,

**Rodolphe SONNOIS**
